### Other Information

#### 1.0 Introduction

The Gujarat Vidyapith was founded by Mahatma Gandhi on 18<sup>th</sup> October, 1920. It was started as Rashtriya Vidyapith and was in the wake of the Non-cooperation Movement. Mahatma Gandhiji remained its life-long Kulpati (Chancellor). Then Shri Sardar Patel, Dr. Rajendra Prasad, Shri Morarjibhai Desai

remained the Chancellor of the Vidyapith. At present Hon'ble Acharya Devvratji has been providing his services as the Chancellor.

During 1930 to 1935, students and teachers joined in national movement for freedom and during 1942 to 1945, due to "Quit India" movement, Vidyapith remained closed. In 1945 vidyapith started functioning again. Vidyapith has been accorded the status of the Deemed to be University in 1963 for its higher education departments.

Today, The Vidyapith imparts higher education with an integrated system of education, teaching from Nursery to Doctorate level. The main objective is to prepare workers of character, ability, culture & dedication for the conduct of movement connected with the regeneration of country in accordance with the ideas given by Mahatma Gandhiji.

The objectives of the Vidyapith have been laid down on the basis of the Gandhian ideology which are reflected in the National Education Policy (NEP) 2020. Accordingly, the education system of Gujarat Vidyapith includes participation in community living, *Padyatras* in remote and rural areas, rural camps, social services, community prayer, simple and self-reliant life, study tours and field visits, hand spinning and training in craft works, etc.

The Higher Education Unit of the Vidyapith have been divided into under 8(eight) faculties. There are 20 academic departments/ centres within these 8 faculties. It is very important that the residential educational facilities have been developed to provide higher education up to Ph.D. level.

In accordance with the NEP 2020 and UGC's "Curriculum and Credit Framework for Undergraduate Programmes (CCFUP), the Vidyapith has restructured the curriculum of the undergraduate programmes incorporating a flexible choice-based credit system, multidisciplinary approach and multiple entry and exit options. This will facilitate students to pursue their career path by choosing the subjects/fields of their interest.
