Respect Sir/Madam,

University Grants Commission has created the 'Academic Job Portal' at UGC website (www.ugc.ac.in) which helps NET/SET/Ph.D. qualified candidates to bring their academic profile to the attention of universities/colleges and other employers with the ultimate aim to get them a suitable job. The portal facilitates candidates to register and create their profile online.

The Academic Job Portal facilitates the employers to search and browse academic profile of candidates available on this portal. The portal also facilitates employers to register and post the job vacancies on this portal so that candidates can apply against the vacancies.

The UGC is in the process of upgrading the job portal with the inclusion of Non-Teaching vacancies and also adding some new features. The upgraded portal shall become functional shortly.

You are requested to kindly upload their job vacancies on this portal which will help in this emanating the information to the eligible candidates.

With kind regards,

Yours sincerely,

(Rajnish Jain)
