

Shree S. G. Patel Kanya Vidyalaya, Bhalel

Shree Shivabhai strongly believed that the education of girls is very necessary for the upliftment of the society and it is the vision of Gujarat Vidyapith also.

Government of Gujarat accepted to provide scholarship for girls for accommodation and food. Thirteen farmers of Bhalel village willingly sold their sixteen and a half bigha land at a fair price.

The dedication ceremony of the institution building was done on 27th January 1972 by Shri. Morarjibhai Desai, Chancellor of Gujarat Vidyapith. In the same year, on 12th June, Kanya Vidyalaya started with blessing speech by Babalbhai and Sadhu Surendraji.

At present, 197 girls of class 9th to 12th are studying in the institute, along with 8 teachers, 2 administrators, 7 workers including housekeepers in the hostel.
