

Girls Hostel

Girls Hostel was started along with Girls School. The students studying in Vinay Mandir Bochasan, requested Shivabhai to plan for the education of girls. There was also awareness in the society that daughters should be educated. Shivabhai strongly believed that education of girls is very important for the upliftment of the society. It was the vision of Gujarat Vidyapith to educate girls. Hence, the Hostel has become the pillar of the education. Shivabhai made great efforts in the direction of Girls Hostel. Government of Gujarat has accepted to provide food scholarship to the girls of Girls Hostel. Presently, 110 students get food scholarship.
